Van Weiss Blvd., West Burlington, IA for a work session. \*\*\*PLEASE NOTE THE LOCATION\*\*\*

**WORK SESSION**

1. Call to Order by President of Board
2. CTE Credits & Strands
3. Carl Perkins
4. Project Lead the Way Class
5. CTE at WB
6. CNC Demonstration
5. Adjournment

Please note we are meeting in Mr. Fountain's classroom at the high school. It is connected to the shop on the west end of the HS.

2. CTE Credits and Strands – CTE stands for Career and Technical Education. All school districts in the State of Iowa are required to offer a sequence of classes (strands) in a minimum of three of the six broad service areas. Iowa Code 281-IAC 12.5(5)(i) is the legal requirement note. The six areas are: 1) agriculture 2) family and consumer science 3) health occupations 4) business 5) industrial technology 6) marketing.
3. Carl Perkins – Mr. Snodgrass will discuss Carl Perkins funding. We are in a consortium with other SE Iowa schools. Included in his discussion will be how much federal Perkins money we get and how we spend those dollars. Last year's allotment was about \$6,200.
4. Project Lead the Way Class – We are currently sending students to BHS to take engineering classes. Mr. Snodgrass will discuss this.
5. CTE at WB – West Burlington is now offering an entry level engineering class. Mr. Fountain teaches this. Ms. Ridenour and Mrs. Reed will be present to talk about their programs.
6. CNC Demonstration – Mr. Fountain will provide a CNC demonstration.
