## Superintendent's Remarks

By David Schmitt

The 2016-2017 school year will be near completion when you read the final edition for the year. The school year has certainly gone quickly. West Burlington Independent School District has had a great year with many accomplishments. Falcon pride is alive and well.

We are providing summer school once again this summer. If your student needs some additional help in one of his/her

subjects or skills areas, I suggest contacting the building principal. The same goes for those of you who would like summer enrichment work. Please communicate with your students' building principal to get the process moving forward.

There has been a lot of hoopla and misunderstanding in regard to the major changes to Chapter 20 and Chapter 279 of the Iowa Code. Chapter 20 outlines public employee's rights to negotiate with management. Chapter 279 lays out regulations for contracts and other employment rights of public employees. Many of these laws are now changed. The good news is there will be few changes to employee relations for next year. We finalized an agreement with the teachers association just before the law came into effect. West Burlington Independent School District has no intentions of making huge changes in light of these changes. It will be business as usual; kids first! There are no plans for staff reductions or other drastic cost savings measures. WBISD will continue saving money when and where possible, but will always keep in mind we are here to serve our students and place their education as our number one priority. If you have specific questions or concerns, please contact me at (319) 752-8747, option #3 or [david.schmitt@wbschools.us](mailto:david.schmitt@wbschools.us). If you simply want more information on the Chapter 20 and 279 changes feel free to contact me as well.

Please monitor the website, Facebook and other communication channels. We are changing registration for next school year. We are looking at a full online registration process for returning students. Those new to West Burlington ISD; we ask you register in person at the respective building that your student(s) will be attending. The in-person meeting will give you and your student a chance to look around the building, give us a chance to meet you, and complete the stack of paperwork required for first time registrants. We will monitor the effectiveness of online registration and make the necessary changes the next time around. We appreciate your patience as we work the

potential bugs out. If you have questions or comments contact me.

I hope your students had a great school year. We appreciate the opportunity to provide them with top rate instruction along with a safe learning environment. We continue believing we are the school of choice in SE Iowa. Have a great summer and we look forward to seeing you in August. Go Falcons! Kids First! ❖

## Food Service Program By Patty McPherson

West Burlington JR/SR High has joined the U.S. Food Waste Challenge!

Things we are doing:

- Cutting down food waste generation in the kitchen
- The kitchen has started recycling cans and plastic
- Started a sharing table for students where they can leave any unopened, packaged food items and students may take an item from the table.

The West Burlington School District is participating in the Summer Food Service Program. Lunch meals will be provided to all children without charge and are the same for all children regardless of race, color, national origin, sex, socioeconomic status, age or disability, and there will be no discrimination in the course of the meal service. Please see the flyer on page 6 of this newsletter for times and locations. ❖

## **Band News** **By Mark Eveleth**

### 7 & 8th Grade Band

Tuesday, April 25th was the Super-conference Massed Band Festival. The band traveled across town to Notre Dame this year. Each band performed one section by themselves and then 4 selections combined with Notre Dame, Holy Trinity, and Central Lee's Junior High Bands. It was an outstanding performance and a great experience for all the band members.

The 7th and 8th grade band and choir will be performing their spring concert on Tuesday, May 23rd. That concert begins at 7:30PM. We hope to see you all at this final concert of the year.

### High School Band

State Solo Contest was April 1st and was hosted by Mediapolis High School. We had 7 soloists and 4 small ensembles. The students' received 11 "I" (superior) ratings, 2 "II" (excellent) ratings, and 1 "III" (good) rating. A very special congratulation goes out to Kaleb Moore on his trombone solo. He received "Outstanding Performance" for his center. Kaleb received a perfect score from the judge.

Congratulations to all the West Burlington musicians who participated in this State event!!

### Large Group Contest

The high school band is now preparing for large group contest. Contest this year will take place on Saturday, May 6th. We will travel to Mid Prairie High School for this year's event. The performance time is not known at this time, but information will come to you in an email.

### Spring Concert

The band will be performing in our spring concert along with the choir on Tuesday, May 9th at 7:00 PM. We will be recognizing all letter winners, awards recipients, and seniors at this concert.

Graduation is Sunday, May 21st at 3:00PM in the afternoon. This performance will also be our final required/graded performance of the year.

We are also preparing the music for next falls marching band show. The students will have their music throughout the summer months to memorize for our fall performances and competitions. ❖

## Junior High and Senior High Summer Reading Program 2016

By Jodi Snodgrass

Summer is just around the corner and so, too, is our 6th Annual Junior High and Senior High Summer Reading Program. During the summer break, students will have the opportunity to maintain or improve their reading by being a part of this activity. This program is similar to our quarterly AR goals as each student will have a point goal to meet. Students come to the high school library to check out and return books, take comprehension tests or just to read in a quiet environment if they so choose. Mrs. Cahill will have the library open and will assist the students every Tuesday and Thursday from 9AM-12AM between the dates of June 6th and July 27th. Goals must be met on or before July 27th for the student to take part in the reward. The reward is a free trip to an amusement park. In years past, we have taken many readers to Six Flags and Mt. Olympus Theme Parks. The reward trip is typically taken during a school day in August. Students are expected to sign up in the library before the end of the school year. If there are any questions feel free to contact the school at 754-6567, option #1 or email Mrs. Snodgrass at [jodi.snodgrass@wbschools.us](mailto:jodi.snodgrass@wbschools.us). Thank you! ❖

### Notes from the Nurse By Stephanie King

The Iowa Department of Public Health has made changes to the Iowa Immunization Law for the start of the upcoming 2017/18 school year. This change requires all incoming 7th graders to have both a meningococcal vaccine as well as the TDAP (Tetanus, Diphtheria, and Pertussis/whooping cough) booster vaccine.

All students entering 12th grade and that are born after September 15, 1999 will need proof of two doses of the meningococcal (A,C,W,Y) vaccine; or 1 dose if received when the student was 16 years of age or older.

These requirements must be met prior to the start of the first day of school this fall.

For more information please contact the school nurse, your physician, or this link at the Iowa Department of Public Health. <http://www.idph.iowa.gov/imm/tb/immunization/laws> ❖
