

West Burlington ISD

Title One Reading and Math Programs

August 1, 2016

Dear Parents,

The mission of the West Burlington Independent School District, in partnership with parents and community, is to accept students where they are academically, socially, physically, and emotionally and to guide them to develop to their fullest potential while instilling pride and self-respect in becoming responsible citizens. In order for all students to be successful, West Burlington Elementary has a wide array of programs to help students achieve and is designated as a School-Wide Title One Reading and Title One Math School. All Title Instructors hold degrees in education and are highly qualified.

School-wide Title Services:

- Provide opportunities for all children to meet the State's proficient and advanced levels of student performance.
- Based on effective means of improving children's achievement.
- Use effective instructional strategies that--
 - Address the needs of all children in the school.
 - Are consistent with the State and local improvement plans.
- Qualifications of the teachers and paraeducators working with your student may be obtain through the superintendent's office.

What this means for you and your child is:

- During the school day, a Title One Instructor may be in your child's classroom and/or assisting your child with a skill or strategy.
- This may happen daily or occasionally.
- If we have a concern that we need to address with you, we will contact you in a timely manner.
- If your student has been taught for more than four weeks by a teacher that is not considered highly qualified you will be contacted

If you have any questions, please contact Sarah Zurita, Ashley Hackett, or Jodi Melssen at 319-754-5726.

Please read and mark your understanding and approval in JMC Registration.
