

### Junior High and Senior High Summer Reading Program 2019

Summer is just around the corner and so, too, is our 8<sup>th</sup> Annual Junior High and Senior High Summer Reading Program. During the summer break, students will have the opportunity to maintain or improve their reading by being a part of this activity. This program is similar to our quarterly AR goals as each student will have a point goal to meet. Students come to the high school library to check out and return books, take comprehension tests or just to read in a quiet environment if they so choose. The library will be open every Tuesday and Thursday from 9-12 between the dates of June 11th and Aug. 8th. Goals must be met on or before Aug. 8th for the student to take part in the reward. The reward is a free trip to an amusement park. In years past, we have taken many readers to Six Flags, and Mt. Olympus Theme Parks, to name a couple. The reward trip is typically taken during a school day in September. Students are expected to sign up in the library before the end of the school year.
